Helping Hand Bursary

Call for the 5th International Conference of ECVM:

ECVM will provide funding for the participation of individuals to attend the 5th International Conference of ECVM. Selection will be based on potential for future contributions to the field and scientific merit of a submitted abstract. Preference will be given to early career candidates and residents of the College. Particular consideration will also be given to applicants who do not have their own research funds or receive a professional salary. Funding may include travel, lodging and general registration. All applicants must be members of the College or sponsored by a member of the College. The award will not be open to applicants having residence in the same country in which the conference is being held.

Award contents:

Each award will comprise:

1) Free full registration for the conference

Or

2) Reimbursement for travel, lodging expenses plus free full registration for the conference

(Maximum reimbursement not to exceed €800)

Timetable:

Deadline for applications: June 4th, 2023

Announcement of awards: July 1st, 2023

.....
